## ● Monday 24th April

08:00 Registration

09:00 KEYNOTE LECTURE

09:00 How to diagnose cerebellar eye movement disorders - D. Zee

10:00 Coffee ☕

10:00 VARIETIES OF POSITIONAL NYSTAGMUSES

10:30 Atypical BPPV - A. Casani

10:50 Positional downbeat nystagmus - P. Bertholon

11:10 Light cupula - T. Tomanovic

11:30 BPPV after trauma - R. Gürkov

11:50 Recurrent BPPV - M. Hamid

12:10 Discussion - Where are those crystals?

12:30 Lunch 🍴

13:00 Satellite symposium

13:30 WORKSHOPS

WS\_1 Examining patient with vertigo - P. Bertholon

WS\_2 Discussing Meniere's with Hamid

WS\_3 BPPV repositioning maneuvers - A. Casani

WS\_4 A video tutorial on nystagmus - D. Zee

WS\_5 VEMP - R. Gürkov

WS\_6 Industry supported workshop

14:10 Coffee ☕

14:40 TIGHT BOND BETWEEN HEARING AND BALANCE

14:40 Sudden sensorineural hearing loss with vertigo  
A. Casani

15:00 Delayed onset endolymphatic hydrops - M. Hamid

15:20 Meniere's disease - Changing concept - R. Gürkov

15:40 Superior semicircular canal dehiscence  
P. Bertholon

16:00 Discussion - One organ two senses hosting

16:20-17:00 POSTER SESSION

## ● Tuesday 25th April

09:00 NEW ACHIEVEMENTS IN VESTIBULAR DIAGNOSTICS

09:00 Magnetic labyrinthine stimulation:  
A new vestibular tool - D. Zee

09:30 Inner ear evoked potentials - M. Hamid

09:45 Suppression head impulse test - D. Pavlović

10:00 Coffee ☕

10:30 GOING BEYOND INSTABILITY

10:30 Drop attack - A. Casani

10:50 Otolith-ocular disorders: Skews and Tilts - D. Zee

11:10 Cerebellar ataxia - S. Apostolski

11:30 Episodic ataxia type 2 - P. Bertholon

11:50 Bilateral vestibulopathy - R. Gürkov

12:10 Discussion - Central or peripheral ?

12:30 Lunch 🍴

13:00 Satellite symposium

13:30 10 DILEMMAS - discussing with experts

BPPV without nystagmus?

Isolated utricular lesion

Horizontal canal BPPV - which side is affected?

Acute vestibular syndrome - central or peripheral

Methylprednisolon in vestibular neuritis

Dexamson or Gentamycin

Betahistine in ear disorders

Visually induced dizziness

Not central, Not peripheral - What to do?

Cervical vertigo?

15:10 Coffee ☕

15:40-17:30 FREE PAPER SESSION
