

Dear Hungarian Neurological Society,

On behalf of the Conference Planning Group of the **2nd European Stroke Organisation Conference 2016 (ESOC 2016)**, it is our pleasure to invite you to join us in **Barcelona, Spain** from **10-12 May, 2016**.

Building on the success of last year's inaugural conference, **ESOC 2016** will re-unite researchers, clinicians, students and healthcare professionals for what promises to be an unforgettable event.

We would be grateful if the **Hungarian Neurological Society** could promote the event amongst your members. Our online [promotional toolkit](#) is conveniently available for your use.

We would also be happy to offer the following reciprocal opportunities:

- Logo or banner on the [ESOC 2016 website](#).
- Opportunity to display materials at the Conference.

Feel free to contact us for more information or to discuss further opportunities for collaboration.

Thank you in advance for your cooperation,

Dana Kemper
